

## Glorify God by sharing His Word and their Lives in Austria.

Daniel, Kathleen & Ava Harrison

In 2008, the Harrison's accepted a call to the Tirol in Austria. For Daniel it was a return to his childhood missionary home of 11 years, returning to a former work, begun by his parents,

Serving on a leadership team amongst a small, but strong group of believers, Daniel and Kathleen seek to reach and teach the people of Austria about God's redeeming work in their lives. Living in a multinational and multicultural land, their ministry reaches out to all people groups. As a pastor and church leader Daniel is constantly ministering into the lives of the church body and the community. Kathleen's ministry of leadership extends beyond the church walls to the women within the Turkish community.

By God's grace and through the power of His Spirit they are serving in the Kingdom and are encouraged by what the Lord is accomplishing. Monthly updates are provided to those who are interested in discovering more about God's amazing work in Austria.

The Harrison's ministry is supported first and foremost by prayer, they strongly believe that no work of God will ever succeed without strong underpinning of intercessory prayer. And along with prayer the faithful support from their home church and the Body of Christ. Our prayer is that you would be led to become a partner in this kingdom work among the Austrian people either through your prayers or financial support.
